

# POWDER COATED METAL

**BOWMAN™**

## Designed for Long-Term Use

Dispensers made of powder coated metal are both attractive and functional providing years of service.

### Major Benefits

#### Durable

Our powder coated metal dispensers are comprised of 22 gauge steel providing a long-lasting product that holds up well in tough environments.

#### Cleaning

The powder coated finish resists common chemicals and cleaning agents and can be easily wiped clean with soap and water.

#### Strength

Powder coated metal is ideal for dispensers used in a healthcare or an industrial setting. It is impact resistant and is not effected by extremes in temperature.

#### Appearance

The clean bright appearance of white powder coated metal looks attractive and provides a professional image in all environments.
